## Breakfast & Lunch Menu

# About Us

Our working breakfast and lunch menus are designed to fit seamlessly into your day, offering thoughtfully prepared food made with quality ingredients. Perfect for meetings, team lunches, or relaxed corporate gatherings, each dish is created to be satisfying, well-balanced, and easy to enjoy.

Everything is cooked from scratch using carefully sourced produce, with a focus on flavour, presentation, and food that will excite your guests and colleagues.

Available for delivery (charges will apply) or collection, these menus bring The Little Kitchen Company's signature care and professionalism to both corporate and casual dining.

We can also provide a fully staffed service if you would prefer - just ask - as well as provide crockery, cutlery, glassware and linen as needed.
