Evening Food Menu

About Us

With many years of experience in wedding catering, we deliver a fully tailored service - from tailored menus to smooth, stress-free coordination on the day. Our chefs use the finest seasonal ingredients to craft canapés and dishes that are vibrant, creative and full of flavour, while our front-of-house team ensures every detail flows seamlessly.

At The Little Kitchen Company, we believe every wedding deserves food that feels as special as the day itself. Based in Hampshire and trusted by couples across the region, we create beautifully presented, handcrafted dishes designed to delight your guests from the very first canapé to the final bite.

Evening Food

Our evening food pricing excludes crockery and cutlery;
- we would recommend our disposable selections to serve this “Street Food” style menu. However, if you prefer crockery and cutlery we are on hand to chat through costs for this.

Depending on your daytime menu, additional oven hire may be necessary for evening food.

All pricing excludes VAT, additional chef and staff serving time.
